

HORIZONS GOLD YIELD FUND ANNOUNCES NOVEMBER 2011 DISTRIBUTION

TORONTO, November 21, 2011 - Horizons Exchange Traded Funds Inc. ("**Horizons ETFs**") and its affiliate AlphaPro Management Inc. are pleased to announce the monthly distribution rate for the Horizons Gold Yield Fund (the "**Fund**") for November 2011 in the amount of \$0.08250 per Class A unit and Class F unit of the Fund. The Class A units of the Fund are listed for trading on the Toronto Stock Exchange ("**TSX**") under the symbol **HGY.UN**. The Class F units of the Fund are not publicly listed.

This distribution rate is equivalent to \$0.99 per annum or a yield of 9.90% per annum on the initial issue price of \$10.00 per Class A unit and Class F unit. The November distribution ex-dividend date is anticipated to be November 28, 2011, for all Class A and Class F unitholders of record on November 30, 2011. The distribution is payable on December 12, 2011.

The Fund's investment objectives are to provide unitholders with: (i) exposure to the price of gold bullion hedged to the Canadian dollar, less the Fund's fees and expenses; and (ii) tax-efficient monthly distributions. The Fund does not have a fixed distribution, but generally sets distributions quarterly and pays distributions monthly. It is expected that monthly distributions currently received by unitholders will consist primarily of return of capital.
