

Horizons US Equity Managed Risk ETF (HUS)

The Horizons Cdn Equity Managed Risk ETF primarily held units of Exchange Traded Funds (“the underlying ETF funds”) for the period from July 1, 2015 to June 30, 2016. Unlike companies, exchange traded funds do not have annual shareholder meetings, but they may hold unitholder meetings from time to time, at which unitholders of the underlying ETF funds are entitled to exercise voting rights. In the event any of underlying ETF funds issue a proxy form, Horizons ETFs Management (Canada) Inc. will exercise those voting rights in the best interests of Horizons US Equity Managed Risk ETF. Furthermore, the manner in which the voting rights were exercised will be published on this page.

For the period from July 1, 2015 to June 30, 2016, there were no proxy voting records to present.
