For the period May 1, 2019, thru April 30, 2020

Allocation Summary Report - Per Unit Per Day

For the Year Ended April 30, 2020

U.S. persons that are a direct or indirect unit or shareholders in PFICs are required to complete Form 8621 in certain circumstances.

The following table is designed to assist a U.S. investor to make a QEF election for certain Horizons ETFs that may be classified as PFICs. The pro-rata share of the ordinary earnings and net capital gains for the unitholder of the ETF for those certain Horizons ETFs specified in the table below are attributable on a per-unit per-day basis for the period(s) such ETF(s) was(were) held by the U.S. investor.

For certain ETFs, as indicated by ** after the ETF name, please refer to the additional pages relevant to that ETF for additional information regarding indirect reportable income allocations.

For the ETFs that underwent a merger into the Horizons ETF Corp. in November 2019, investors will need to account for both the Pre-merger and Post-merger values, where indicated in the table below, in their tax calculations.
